**Public Policy and Legal Advocacy** 

### 2012 AAUW-CA Legislative Positions Report

Gloria Leonard, Public Policy Chair, glorialnrd25@gmail.com

Fewer bills were introduced in the 2012 California Legislative session, likely because anything requiring state funding would face an extreme uphill battle given the massive multibillion dollar state budget deficit, and that most legislation will have some cost impact to the state. "In the face of this deficit, it was a challenge to maintain even a minimal safety net, as evidenced by reductions in CalWORKS benefits," said Shannon Smith-Crowley, AAUW-CA's Legislative Advocate in Sacramento.

Many good bills supported by AAUW California died before reaching the Governor, primarily due to the state funding issue. Even in this adverse environment, however, AAUW-CA was able to secure a respectable package of supported bills which will become law in 2013. We should also celebrate that not a single bill opposed by AAUW-CA made it to the Governor's desk.

#### AAUW victories included:

\*Reviving the Commission on the Status of Women \*Supporting implementation of the Affordable Care Act in a way to support the health of women and girls \*Increasing the time for voter registration from a deadline of 15 days prior to an election to allow voter registration up to the day of an election \*Protecting intercollegiate student athletes \*Limiting shackling of pregnant incarcerated women \*Increasing awareness and reporting of human trafficking through postings of hotlines \*Improving school accountability standards

Seven "Action Alerts" were generated by AAUW-CA, with more than 5,500 messages to legislators and/or the Governor being sent. Bill authors were very impressed and appreciative of these efforts. Join in the advocacy work of AAUW San Jose by attending monthly Public Policy meetings and/or responding to Action Alerts from state and national and staying informed about issues that matter to women and girls.

Legal Advocacy Fund: What Does LAF Do?

Mary Barry, LAF Vice Pressident, maryjbarry@comcast.net

When you give to the Legal Advocacy Fund (LAF) your donations go to support these programs.

Legal Advocacy Funds work to combat sex discrimination in higher education and the workplace. LAF selects cases based on the potential to help a broad group of women. LAF has approved \$100,000 to fund cases this year.

<u>Research Reports</u> such as the recently released "The Simple Truth About the Gender Pay Gap" updates the earlier report with new numbers and graphics showing state-by-state rankings, gap by age, race and education, and provides guidance to women facing discrimination in the workplace, and resources for fair pay advocates.

<u>LAF Case Support Travel Grants</u> provide financial support to plaintiffs, their lawyers and other experts for traveling to speak at state meetings or conventions about sex discrimination cases.

<u>Legal Referral Network</u> is an online service for referrals to a network of legal experts. In addition, network partners provide initial consultations to individuals considering sex discrimination litigation and can help direct them to appropriate resources.

<u>Campus and Community Outreach Programs</u> provide grants for member-led projects focused on educating students in many areas, particularly gender equity programs. AAUW has donated funds to promote the documentary "The Invisible War".

<u>Resource Library</u> offers access to legal information, case examples, statistics, answers to frequently asked questions, and outside resources on various sex discrimination topics focusing on the wider workplace and education campuses.

Please help continue the valuable work that the Legal Advocacy Fund is doing by volunteering to help with our LAF fund raiser this year and by giving generously to LAF financially to continue this work. Please contact: Mary Barry at 408-227-8429 or maryjbarry@comcast.net.

# **Presidential Sparks**

Marilyn Jackson

In early November I received a package in the mail from Linda Hallman, AAUW Executive Director. It included a certificate of authenticity and one of 130 American flags that had been flown above the United States Capitol on January 14, 2012, the 130th anniversary of the first meeting of the organization that was to become the American Association of University Women (AAUW). This was done thanks to the Honorable Carolyn B. Maloney, Member of Congress.

As one of the two oldest AAUW branches in California, we were given a flag in recognition of our branch's longstanding commitment to AAUW's mission. I was asked to share it with our branch in remembrance of AAUW's long history of commitment and to pass it on to future presidents as a legacy of those sisters who came before.

# **Board Notes**

 The Public Policy Committee was recognized for its hard work during the "It's My Vote" campaign and a letter of commendation from the AAUW CA President was shared with the Board.

 Sandra Savage was appointed chair of the committee to review Branch Policies and Procedures and Job Descriptions. The first meeting will be held in January.

 A special (ad hoc) College/University Partnership Committee was established. Geri Madden, President-elect, will serve as chair.

•Donations to the AAUW Funds (EF) were \$14, 450 as of November 1, 2012.

Edna Robison, immediate Past-President, is preparing a list of members to serve on the Nominating Committee which will be elected by the Board in December.

We are one of very few AAUW branches to own the house which is our headquarters. On special days you will see our new flag proudly displayed in front for all to see.

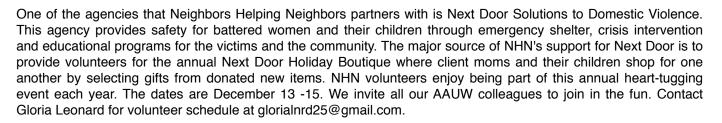

Many thanks to Janice Baxter who has served as our Sunshine Chair for the past year and a half. As she chooses to step aside, Claire Campodonico willingly takes her place.

Contact Claire if you would like to have a card or note sent to members for condolences, get-well, congratulations or other events.

# **Neighbors Helping Neighbors (NHN)**

Bobbie Baker, rcbaker@sbcglobal.net

Also in December is the annual collection of warm clothing for Santa Maria Urban Ministry aptly called "Warm Hearts." Drop off coats, sweaters, blankets, hats, and gloves in the parlor closet at Headquarters. Please label your donation "Warm Hearts".

#### Sports Equity Takes A "Virtual" Trip To DC Laura Manthey, Ismant@aol.com

On October 29 member Marlene Bjornsrud shared with us her amazing experience of participating in a small roundtable discussion with Michelle Obama in Washington, D.C. I wish you all could have been there with us as Marlene led us through the entire experience. From the phone call inviting her, to the famous Michelle hug, to the depth of emotion felt by the participants, to photos of Marlene and Michelle...well, we felt as if we had been there. It's clear we women are better for this First Lady (and her husband!) knowing that whatever her future holds, she "has our backs". Thank you so much, Marlene. Your words and photos and emotions will long be remembered in my head and heart.

Marlene is co-founder and CEO of the Bay Area Women's Sports Inititive (BAWSI).

# Annual Local Scholarship Holiday Boutique Another Success

Cheryl Markman, cherylmarkman@hotmail.com

Thanks to the generosity of our members and their friends, this year's Local Scholarship Holiday Boutique was another great success with approximately \$4500 having been raised. Much of that success was due to the generosity of so many of our Interest Groups who donated themed gift baskets reflective of their interests. Those Interest Groups included Art Appreciation, Wednesday Night book group, Mystery Lovers book club, all of the Bridge Groups, Couples Gourmet, Friends, International Gourmet, Knitting Know-How, Light Gourmet, Lunch Bunch, Weekend Walkers and all of those groups who chose to donate anonymously. Several more baskets were donated by individual members. Still other members donated baked goods, dolls, soup and dip mixes, cookies-in-a-jar, handcrafted jewelry and craft items, small potted plants, handknitted scarves and so much more! Thanks to you all for your donations, and to all of you who shopped so wisely !! And to any of you who were unable to attend the Boutique, please check out the parlor. There are still a few baskets and other goodies available for purchase!

In the 32 years since the San Jose Branch Local Scholarship project was formed, we have awarded a total of \$96,500 to 93 recipients. Last year we were able to award \$10,000 in scholarships, enabling the nine recipients to further their college education at four-year institutions. Thanks to your generous donations throughout the year and your purchases at the boutique, we will be able to provide scholarships to even more deserving college women in 2013. Your continued support does make a difference! The Local Scholarship Committee thanks you all.

# **Tech Trek/Tech Excellence**

#### Are We Ready to Be "Green"?

Edna Robison, e29.robison@yahoo.com

Tech Excellence girls at John Muir Middle School are ready to embrace "Green Technology"! On November 1, three women - Bertha Prieto, Rosiella Ileto and Lizzy Kay - from Salas O'Brien, an energy planning and infrastructure engineering firm in San Jose, introduced the topic. They talked about sources of pollution, ways to reduce energy usage, solar panels, windmills, hybrid cars, and home appliances. Lee Hornberger, a retired engineer and an AAUW San Jose Building Committee member, served as the lead workshop facilitator. She distributed energy worksheets and a list of home appliances with corresponding wattage. She challenged the class to calculate energy use in the living room, the kitchen, the laundry room, and the bedroom. Other volunteers were Jane Guinther, Nancy Hooton, Jean Luckhardt, Mary Ellen Madden, and Edna Robison. The related field trip was a visit to the Tech Museum's Solar Circuits Lab and Energy Exhibits.

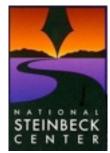

What did the girls learn?

Watch TV less. It saves energy and dollars.

- How to find kilowatt-hours (kWh). 1000 Watts are a kilowatt.
- Take less time in front of the refrigerator. You spend a lot of money without knowing it.
- Solar can help save money. It's expensive but the right thing to do.
- Using the washer and dryer is expensive. Natural sun is the first best source to use.

Up next is an Aviation Class with Andrea Connell, United Airlines Pilot on January 17 followed by a field trip on January 24 to try out the Hiller Aviation Flight Simulators. We meet at 8:30 am at John Muir Middle School. Please contact me to volunteer and to get more information on Tech Excellence and Tech Trek (the 2013 summer science camp at Stanford).

# AAUW San Jose Branch Bonfire Interest Groups - December

December With Art Appreciation Marty Glanzman, mkglanzman@att.net

The Art Appreciation interest group will be visiting two art exhibits in December.

The Christmas Crèche exhibit is a wonderful display of Christmas crèches from all over the world. Art Appreciation will be attending this event on December 5, leaving Headquarters at 11 am. If you are interested, please contact Marty Glanzman for more information at <u>mkglanzman@att.net</u> or 408-226-4642. The exhibit is open daily from noon till 9 pm at the Church of the Latter Day Saints, 3865 Middlefield Rd., Palo Alto, CA. Admission is free.

The National Steinbeck Center - Women's Rights Art Exhibition focuses on the Women's Caucus for Art's 40th Anniversary. "Honoring Women's Rights, Echoing Visual Voices Together" features art work that examines and explores the social, political, and economic issues related to women's activism.

We will meet to see the exhibit on Wednesday December 12. General admission to the museum at 1 Main Street, Salinas, CA is \$14.95; Seniors 62+ are \$8.95; Members are free.

Because we are going south to Salinas, we will NOT meet at Headquarters for carpooling. Rather, we will meet at 9 am at the parking lot of Summit Steakhouse by the Holiday Inn, 389 Silicon Valley Blvd., San Jose. This is right off both freeways 101 and 85 at the south end of San Jose. Take the Bernal/Silicon Valley Blvd exit, turn left over the freeway and the Holiday Inn and Steakhouse will be on your left. We will have lunch at a nearby restaurant and return by 4 pm. Please contact Marty Glanzman if you plan to attend.

### Willow Glen Holiday Lights Walk

Jean Reed, Weekend Walkers, jjkreed@comcast.net

Again this year, Weekend Walkers will enjoy the holiday lights of the Willow Glen neighborhood around Headquarters. We'll be walking on Friday evening December 21. Come to Headquarters by 6:30 with a dish to share if you would like to join Singles for a pot-luck dinner before the walk. Or come just for the walk. We will plan to leave about 7:15 and expect to be back by 8:30. If you like, bring some cookies to share with the group after we walk.

#### Attention Cooks! Margaret Bard, margaretbard@gmail.com

Couples Gourmet is looking for a couple who enjoy talking, eating, and thinking about food, as well as preparing it. Each couple hosts the group in their home twice a year. The hosts plan the menu and assign recipes to the rest of the group. Some people like to test recipes in advance but more of us like to try out new recipes that are suitable for a group, not just the two we normally cook for. We limit the group to a maximum of 6 couples but sometimes we are not all able to come so the group may be only three or four couples. I know we have a lot of superb cooks in this Branch since I sample the food at the pot lucks! Won't you join our group? We love fresh ideas. Please contact Margaret Bard at margaretbard@gmail.com or 408-377-6625.

A Beginning Bridge group is being formed. If you are interested in learning to play bridge or refresh your memories from college days contact Nancy Valby @ 408-259-2534 or by email @ nancy.valby@earthlink.net (preferred). For now we will meet at my home. Initial sessions have been scheduled for the following Wednesdays from 1:00 p.m. to 3 p.m.: January 2, 2013 and January 23, 2013. It is desirable to have 8 regular committed players.

Unless otherwise noted, events are held at Headquarters.

Weekend Walkers meets most Saturdays and Sundays at 8 am for an hour-long walk on the Los Gatos Creek Trail. To receive weekly emails about walks, contact jjkreed@comcast.net.
